SUBJECT:

REPAIR OPERATION TIMES

MODELS:

TR7; SPITFIRE

Attached is the updated Repair Operation Times on our Triumph TR7 (P/N HAC 52 G-1) and Spitfire 1500 (P/N HAC 52 F-1), which are effective immediately.

Along with the Repair Operation Times, a new index insert is enclosed. The categories shown are: Contents Index, Repair Times Introduction and Labor Rate Conversion Chart. Please see that the Repair Operation Times and Index are placed in your binder for easy reference and safe keeping.

Your attention is directed to the following paragraph as stated on the instruction page:

"This Repair Time Schedule has been established by Jaguar Rover Triumph Inc. for use in the preparation and submission of claims by its authorized dealers for reimbursement of work performed under the Jaguar Rover Triumph Inc. new vehicle warranty. You may also find the Schedule useful as a guide in establishing your own labor charges for non-warranty work, but in such cases it is not intended as a mandatory standard."
